Re: U.S. Food and Drug Administration Headquarters Consolidation Master Plan Update Final Supplemental Environmental Impact Statement (CEQ 20090261)

Dear Ms. Hill:

In accordance with the National Environmental Policy Act of 1969 and Section 309 of the Clean Air Act, the U.S. Environmental Protection Agency (EPA) has reviewed the Final Supplemental Environmental Impact Statement (EIS) for the U.S. Food and Drug Administration Headquarters Consolidation Master Plan. EPA has determined that the General Services Administration has adequately addressed its comments within the EIS.

Thank you for providing EPA with the opportunity to review this project. If you need assistance in the future, the staff contact for this project is Ms. Jamie Davis at 570-842-1044 or by email davis.jamie@epa.gov.

Sincerely,
